Tutorials in introductory physics (Book, 2002) [WorldCat.org]

Tutorials in introductory physics homework solutions are a series of resources and materials designed to supplement class work and the existing textbooks in physics. They are formulated, not to help the student solve physics problems, but to equip them with basic physics concepts. Like finance homework solutions, it also equips them with reasoning skills necessary for application of physics ...

Tutorials in Introductory Physics Solutions? I'm looking ...

Tutorials in Introductory Physics is a set of instructional materials intended to supplement the lectures and textbook of a standard introductory physics course. The emphasis in the tutorials is on the development of important physical concepts and scientific reasoning skills, not on solving the standard quantitative problems found in traditional textbooks.
